NOV 2 1976

Dear Dr. Kumagai:

We are replying to your application of August 24, 1976 and October 6, 1976 to administer the program for issuing statements of necessity and adequacy for loans from the Small Business Administration for water pollution control facilities authorized by Section 8 of the Federal Water Pollution Control Act Amendments of 1972. Review of your application shows that the requirements of Section 21.12, State Issued Statements, of the U.S. Environmental Protection Agency Rules and Regulations, Federal Register, Volume 39, Number 160, August 16, 1974, are met. Accordingly, your request that the Hawaii State Department of Health, Environmental Protection and Health Services Division conduct the program for issuing statements of necessity and adequacy of water pollution control facilities needed to obtain a loan from the Small Business Administration is hereby approved. As required by Section 21.12 of the U.S. EPA Rules and Regulations, any applications received by the U.S. EPA after this date will be forwarded to the Hawaii State Department of Health, Environmental Protection and Health Services Division.

We wish you success in the administration of this program.

Sincerely,

Original signed by:
 Paul De Falco, Jr.
